Mentimeter

- I'd like to see the history maintained while providing the local community with a safe place to enjoy recreational activities. Also, try to bring all the park spaces together.
- An accessible green space that acknowledges our history and culture, providing a vibrant venue for family recreation, and community.
- Active families, adults and kids using the park for play and fitness. Shade and beauty enhancing the experience.
- I'd love for it to be a place where my family and I love to spend time (other than the tennis court). I'd love to walk to it for many walks on Saturday morning. If there was proper landscaping, I'd love to walk it for its up- amenity!
